NOTES-

Adjustments were made for teams who made it completely or partially to MCP-9 before it was removed.

An administrative penalty was applied to the two teams who got rides from MCP-4 to MCP-8 based on their individual situations.

Teams who disregarded the verbal briefing and cut across the field instead of staying on the road to MCP-11 received a 50 point penalty.

Note that on MCP-10, Instead of giving -20 to teams who did not complete the entire challenge (both buckets and low crawl), we gave -10 per half (buckets or low crawl) Not attempted.
